

## Ithaca Dog Training Club Agility Class

This class is for dogs with appropriate previous training. For Agility I, this means a CGC title or equivalent training. For more advanced classes, it means the CGC equivalent plus prior agility training. **All trainers must be members of IDTC (note that it is possible to join IDTC without taking IDTC classes first, IF you have training experience and are approved by the Training Director).** There is a limited sign-up period for this class; dates are given on the web site. If you are not sure whether this class is right for you, please contact the Training Director.

Classes offered vary from session to session. Please check the web site for this session's offerings, make your selection, and enter it on the form below. Enrollment is limited. On the web site you will find the dates, times, locations, and prerequisites for the classes, as well as the fee schedule, which varies depending on the class location.

There are no restrictions on breed or type of dog, but IDTC reserves the right to refuse entrance to a dog that is a hazard to other students (human or canine) in the class. There is a minimum age of 12 years for people training dogs in the class.

To register, fill out the application below, as well as the **waiver** on the next page (unless we already have one on file for you), and mail it in, with **the fee** (a check payable to Ithaca Dog Training Club is preferred). If we do not have your dog's **current vaccination records** on file, include a copy of those also. Reminder – **dogs that are not immunized may not participate in class.** Send materials to:
