

## Beginners Continuation

***This class is for dogs that have completed Beginners I or AKC STAR Puppy Beginners and would like to continue training.***

**Beginners Continuation** gives you and your dog a chance to reinforce the basic skills learned previously. It also introduces some new activities to keep your dog's interest and provide a broad-based foundation for a variety of canine activities, such as Rally, Agility, and advanced Obedience. After graduation, you will be eligible to join the Ithaca Dog Training Club . Membership provides discounts on future classes as well as other benefits.

Students must be at least 12 years old to participate in the class.

We do not restrict the breed or type of dog you bring to our classes, but please note that we are unable to accept aggressive or reactive dogs. If you are concerned that your dog is aggressive or reactive to people or other dogs, please ask for your vet for a referral to a certified animal behaviorist.

Classes meet for an hour, one evening a week, at the Cornell Livestock Pavilion on Judd Falls Road. Classes meet for four Wednesdays; there is no separate graduation, but the last class will include a mini-graduation section. The class fee is **\$30** if you are not a current active member of the Ithaca Dog Training Club. Active IDTC members pay \$15.

***Important note:*** All dogs at the classes must have current vaccination records on file. If your dog has received additional vaccinations since the time you applied for Puppy or Beginners I, please include updated records with this application.

To register, fill out the application below and mail it with **the fee** (a check payable to Ithaca Dog Training Club is preferred) to:

Marian Szebenyi, Registrar  
176 Jackson Hollow Rd.  
Newfield, NY 14867
